We say, Aloha!, as we let go of Summer this year. Aloha, because we like the meaning of this Hawaiian word. As we already know, it means both Hello and Farewell, but, it also means love and fellowship. It is such a perfect expression of how we feel about saying goodbye to our very lively and enjoyable season of Summer. Brimming with amusement and entertainment, lots of merrymaking, love and fellowship. We'd say, we had a perfect Summer at ADS as the entire Season has been very warm and full of laughter and smiles, and always exceeding our expectations of fun.

We bid you Aloha, Summer of 2023, with a very pleased and thankful accord for all the celebrations and memories made with you, and, we'll be awaiting your return next year full of excitement and zest anticipating no less than another great Summer Season.

Hats, sunglasses, flipflops and the beach! What else could be more synonymous to Summer? Well, when we talk about beaches, isn't Hawaii on your mind? Hence, made it perfect to celebrate the 50th state during the Summer Months, specifically, July 5th. One event that us at ADS wouldn't miss commemorating with all it's trimmings and feels (ADS way!). On this day, we put up tropical décor and we dressed up as Hawaiians and had a photo op. We danced and grooved the mele hula pahu style or The Aloha State way (or, at least, we tried!) We played a game of Lucky Draw before we wrap it by watching a classic Elvis Presley movie, Blue Hawaii.

A special mention to our friends from **Forest Hills**, through Ms. Kelly, for the exciting prizes she brought for the game.

An all week Father's Day celebration was observed on the third week of June to honor all the special Dad's who attend ADS. Ms. Annie wrapped the commemoration with a special piano recital.

King Brian & Queen Dorothy were crowned as King & Queen of the First ADS Promenade Ball held at the Lodge on May 25, 2023.

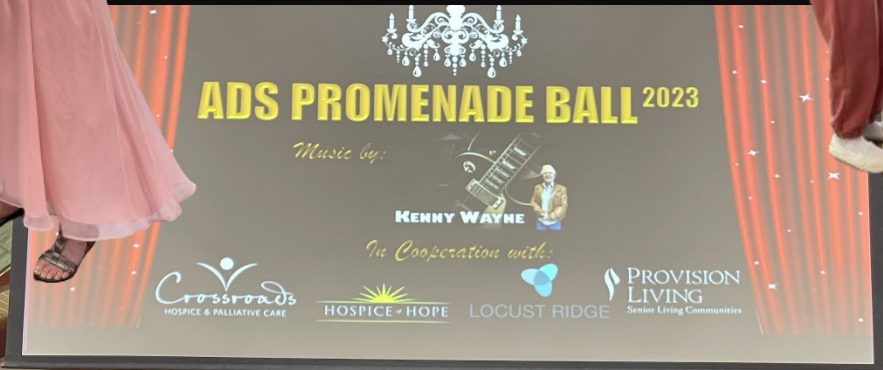

The pageantry of the coronation was completed with the help of no less than the kingpin and leaders of our organization.

As is in every coronation, glasses were held up and a toast was called to the new King & Queen!

And the party started... and everyone had a great time enjoying the music and dancing on this very special event here at ADS.

Thank you to all of ADS' friends who made this event extra special with their constant and untiring support and generosity, **Crossroads Hospice**, **Hospice of Hope**, **Locust Ridge** and **Provision Living**. Music and entertainment was rendered to us by **Mr. Kenny Wayne** and **Violet**. **Ms. Cheryl** for adding extra sparkle and cheer necessary for the day!

**This
game stinks!**

**Yep! Especially when
you didn't win the
game, Tom!**

Our exciting and full of action and fun week long Summer Fair Week at ADS with the help from our friends at, Crossroads Hospice, Batavia Nursing Care Center, Forest Hills, HUMANA, Hospice of Hope, Locust Ridge, Provision Living and Right at Home.

"Children see magic because

The cutest of our friends came to see us
this Summer to showcase their talent in
dancing. Whether ballet, hip hop, or
tap, they covered it. We were mesmer-
ized by both their graceful and energet-
ic moves. Their tiny feet so rhythmical-
ly attuned to the music. They are won-
derful.

We would like to thank their instruc-
tors, Ms. Holly and Ms. Carissa.

The BBChicks did not disappoint as they
performed their best yet show at ADS. A fun
filled 80 minutes Around The World was a
sure hit.

David Hennig, The Magician with a Mission puts in a spellbinding show that left everyone at ADS in enthralled and in awe.
