

Clermont Senior Services, Inc.

Volunteer Connections

The Christmas Season is officially off to a start and gifts are pouring in for the seniors that have been adopted through the Adopt A Senior Program. The community has been so kind, once again, in adopting over 500 seniors that had completed a wish list.

Gift delivery begins Friday, December 1, and continues through December 20.

It's such an exciting time of year seeing all the beautifully wrapped gifts coming in then heading out for delivery. I've watched that for ten Adopt A Senior seasons and this year, I won't get to see the gifts go out as I will be officially retired by the time gift delivery begins. I've worked at Clermont Senior Services close to 29 years and it has been an incredible time helping seniors get some of their needs met.

I have especially enjoyed working with all the volunteers who have selflessly given their time making life brighter for seniors that need a little tender loving care. Each volunteer has inspired me greatly and I will continue to strive to be a better person because of the example the volunteers have set for me.

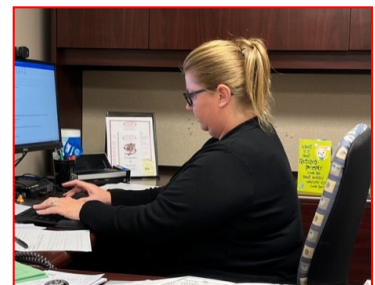

I am happy to inform you Gina Abrams is my successor and I'm very confident she will do an awesome job as the new Volunteer Coordinator. She has been with CSS for 16 years and works hard to help seniors get their needs met. She is friendly, loving, and caring, and great to work with. I think you will find she is easy to talk to and likes to get any questions or concerns resolved quickly. Please plan to stop in, call, or email her soon. gabrams@clermontseniors.com, 513-536-4021.

Thanks so much for all the wonderful memories. I wish you the best in the days to come and hope all the blessings you've provided for others comes back to you abundantly!

Merry Christmas! Kathy Angel
